

TANQUE VERDE

## Yoder Memorial Scholarship

The proceeds from this event will go to the Tanque Verde Yoder Memorial Scholarship Fund. This scholarship was created to provide financial assistance to children and young adults from the Tanque Verde School District for Outdoor Leadership, Environmental, and/or First Responder First Aid education and training.

The scholarship is named for Dustin and Kristen Yoder, a brother and sister who attended Agua Caliente Elementary, Emily Gray Jr. High, and Sabino High School. They grew up hiking and backpacking in the Southwest and spent much of their spare time rock and ice climbing. At Northern Arizona University, they were both pursuing careers in outdoor leadership, sharing their experiences with people of all ages by leading wilderness trips, teaching outdoor skills, and educating about the environment. The two were skilled mountain climbers who traveled all over the world to do what they loved best. On June 27, 2006, Dustin and Kristen were killed in a tragic mountain climbing accident in Peru.

In an effort to do something significant in their memory, Family Orienteering Day was conceived. It is an activity that gets people outdoors, working together as a team to experience our beautiful surroundings.
